- In addition to the activities / events suggested above, Network Associates / School Heads may organize any other co-curricular activities.
- All the activities mentioned in the Academic Calendar are "suggested" activities. The School Head / NWA may however conduct these as per convenience, especially in case of any unexpected announcements from government regarding summer / winter break or for some other such matter.
- Commencement of new academic session for classes IX-X may vary according to the examination dated of annual Board Examination.
- Sometimes government allows schools to take up IX-X classes in summer camp during summer vacation, in such case campuses must focus on revision and coverage of syllabus according to the scheme of works.
- Regions must follow the Academic Calendar in true spirit. In case of any emergencies or government declared holidays. Regional office will direct/guide schools accordingly.
